

## Rocksy's Diary

### **12th of February.**

Hi, my name is Rocksy and I am 18 years old. I like my sister's boyfriend! He is so handsome, but he loves my sister.

Hi everyone, Valentine's Day is coming, and I don't have a boyfriend. Marc loves my sister Amy every day more and more. I am confused and very sad. This is a disaster...

### **14th of February.**

Today it is Valentine's Day. Tonight, there's a party at university. All the students will go, but I don't have anyone to go with. My sister Amy is going with Marc.

### **15th of February.**

Last night was a mess. I can't believe what I did. We were at the party, Amy and Marc were dancing, I was watching them from my table. I was very jealous. Suddenly, my sister and her boyfriend were about to kiss. I couldn't believe it, so I stood up and ran towards them to spill my glass of wine over Amy's dress. She went to the bathroom to cry alone. Later, when we got back home, my sister destroyed everything that was in my bedroom.

My mom is angry now, I can't believe it. She sent us to grandma's house to spend one week. My grandmother is a very strict woman. My sister Amy is going to be disenrolled from her favourite sport, ice-skating. And all because of me... I feel terrible.
